

# Mill Creek Elementary Learning Hub

Mill Creek Elementary Staff is committed to excellence in providing your child and family educational resources that are approved by our teaching staff, and familiar for your student. We created a “one stop shop” for parents to have a rich list of resources all in one place. We will be updating frequently, and sharing on our classroom and social media pages.

Keep learning, Mustangs! ♥

## **Free meals for children during school closures**

*30 pick up locations with free meals for any child ages 0-18*

Bulloch County Schools will deliver bags of free meals to 30 locations on weekdays (Monday – Friday) March 17 - 27. The program will provide free grab and go breakfast and lunch meals to any child ages 0 to 18. No registration, sign-in, or identification is required, and the children do not have to be enrolled in one of our schools. Children must be present to receive meals. Look for a Bulloch County Schools' bus at each delivery location to receive meals.

In the interest of public health and social distancing recommendations, the meals are for pick up only. No meals can be eaten at the sites. Families should also observe social distancing practices while waiting and receiving meals.

The meal delivery sites were selected based on input from the district's school social workers, family engagement specialists, school nutrition personnel, and transportation personnel to serve areas with the most need. Each meal sack will include food for breakfast and lunch. The funding for the program is made possible through the school district's School Nutrition Department as part of the United States Department of Agriculture's (USDA) National School Breakfast and Lunch Programs.

USDA guidelines prevent the school district from being able to provide evening meals or meals on weekends. There are multiple community organizations, including Bulloch Volunteer Organizations Mobilized in Disasters (VOAD) who are organizing efforts locally to further meet any food insecurity needs.

Bulloch County Schools and its School Nutrition Program do not discriminate on the basis of race, color, religion, national origin, disability, age or gender. For additional information about this remote feeding program, contact Bulloch County Schools Nutrition Director Megan Blanchard at 912-212-8620.
